

GALPIN STUDIO RENTALS HOLLYWOOD

Galpin Studio Rentals introduces the **2015 Ford Transit 15 passenger van** to the production industry. A giant leap forward in style, comfort, and convenience for scouting and shuttling cast and crew. The new design allows seating for 14 + a driver, walk-in height, and room behind the last row for coolers, wardrobe racks, or production equipment.

In addition to all those advancements, Ford's **EcoBoost** turbocharged engine provides an impressive amount of power when needed and better fuel mileage compared to earlier models.
